The Book

In a 48 hours investigation in the city of Marseille, a detective and a police officer will face hidden memories of their both countries

Brief description

For forty years, they kept their secret

Algeria 1960: A young man called by a military unit commits suicide on the boat of his return back to France.

Marseilles 2001: his comrade in arms disappear one by one.

In forty eight hours, the detective Sebastien Touraine and the police commissioner Aicha Sadia will discover that on both sides of the Mediterranean, the story continues.

The Author

Gilles Vincent is the author of the novel "Schizo," published in 2006.
