The Book

**The Saga of the Viking leader Rollon
A thousand years later, during the Second World War, History is repeating**

Brief description

1944. An SS commando explores the forests looking for the hidden sepulture of Rollon, first duke of Normandy. A thousand years after the Vikings came to power in France, which treasure can lead the nazis to move heaven and earth ? Enrolled by the French Resistance, Pierre Le Bihan, a brilliant archaeologist, must get involved into the past of Rollon and unravel its mysteries to counter the powerful SS. Helped by Joséphine, a young and beautiful resistant, Pierre Le Bihan has no other choice only that to face the occupying forces. He will discover a secret which involves the fate of the third Reich and the course of the Second World War.
